Why we do fundraising!

Pack 975 offers many opportunities throughout the year including camping trips, outings, the Raingutter Regatta, and the Pinewood Derby to name just a few. In addition the pack has to purchase supplies for den and pack meetings, and advancement awards. Fundraising is a way to help offset these costs to the

families throughout the year. We would like to set a minimum sales goal of \$300 per scout.

How you can help!

Provide an opportunity for your scout to sell the product. Email a copy of the order form to friends and family. Set a copy in your office break room. Following are some safety tips we encourage you to follow.

- Sell with another scout or an adult
- Never enter anyone's home
- Never sell after dark unless you are with an adult
- Do not carry large amounts of cash
- Always walk on the sidewalk and driveway
- Always wear your uniform
- Always smile and introduce yourself
- Always tell your customers why you are selling the product
- Know the different types of product you are selling
- Always say "Thank You"
- Ask: "Would you like to support Scouting?"

Turning in your order!

Attached you will find a Product/Prize selection form. **THIS is the only form that you will be turning back in.** Keep your original order form for delivery. Put your total number of each product needed in the appropriate space. Please fill it out completely, including your child's prize selection. **Knife prizes are only available to Scouts who have their whittling chip cards.**

PRIZES will only be awarded to those turning in \$300 or more. Donations will count toward prizes this year, and are treated the same as sales. However, sales skills will be valuable in life and we want to encourage our scouts to develop them.

ALL SCOUTS NEED TO PARTICIPATE!

Please fill out the Product/Prize Selection Sheet and turn it in on November 5, 2020 along with all money.

If you have any questions at all, please email Dave Oelschlager (doelschlager@astutemedical.com)

Thank you in advance for your participation!
